

Why Choose The Lighting Center at Curtis Lumber?

Whether you're an individual, a home builder, contractor, electrician or an interior designer, let The Lighting Center at Curtis Lumber become your preferred supplier for all your lighting needs. Turn to your trusted source for building materials for over 100 years to help your projects go easier.

Here's why...

- **The Largest Lighting Showrooms in the Region** with hundreds of working displays of today's most popular styles!
- **State of the Art, computer-controlled displays** allow you to turn on/off each display and applying dimming to replicate how it would look in a home **(Ballston Spa location only)**
- **Selection, style and quality from top manufacturers:**

Seagull
Hubbardton Forge
Meyda Tiffany
James R. Moder Company

Murray Feiss
Monte Carlo Fans
Avalanche Ranch
Ulextra

- **Hundreds of different fixtures in-stock** including full lines of Recessed and Low-Voltage Lighting
- **Energy-Star Lighting Lab** designed by the Lighting Research Center of RPI. Now people interested in Energy-Star homes or general energy efficiency can see how modern CFL technology & style can be energy saving and attractive. **(Ballston Spa location only)**
- **Customized delivery when you want it.**
Each fixture is labeled for job name & location, model numbers & room placement. Bulbs are also labeled respectively with designation for which fixture they coordinate to.

Additional Services for Professionals:

- **Selection Catalogs customized to the packages you want to offer your clients.**
Have your in-house selection coordinator use them or send your client to us and we'll go through the selection process with them based on your guidelines.
- **Competitive – Confidential pricing.**
With Curtis Lumber's buying power you can be assured your pricing is competitive and strictly confidential. Your customers will only see the pricing that you want them to.

While lighting is available at most stores, please stop by our displaying Lighting Centers to see how we can brighten your home with new lighting.
